

A row of seven leaves hanging from a string, showing a color gradient from green to red. The leaves are arranged in a line, with the first leaf on the left being green and the last leaf on the right being red. The string is a thin, brown twine. The background is a plain, light-colored wall.

2021 Annual Overview

peoplefirst

For us, and probably you,
if 2020 was the year of WFH
2021 has been the year of Hybrid

We've continued to update you with job market developments & inform you of candidates' opinions to enable you to position yourself as the employer of choice.

And we let you know of the best candidates around too.

Back to the Office or Stay WFH?

2021 Employee Survey

Our hard work was recognised with a nomination for the 2021 Recruiter Awards

We have a 4.9/5***** rating on Google

"I can feel their professionalism through the job introduction process. They're provide a lot different opinions and practise. Sincerely recommend to everyone who need to find a job in UK." Tsui

"I've had a wonderful experience with People First from start to finish. They've helped me secure one of first jobs after graduating and I've been really impressed by their support and professionalism. I would definitely recommend them to any young professional looking for a job." Isabel

"Zoe was very helpful, we discussed about what I was looking for in my next position. She informed me about this particular role and guided me through the specifications. She promptly responded to any updates on the role I had applied for. I was in contact with her for 2 weeks and now I have been offered a job which is relevant to my education and past experience. I highly recommend Zoe if any one wants to finds a job in procurement, supply chain and logistics sector." Bhushan

2021 has been a year of consolidation & growth for People First.

Zoe returned to People First Supply Chain from maternity leave.

Yoko had her 10th People First anniversary and Matt his 15th!

People First has been certified as a Women-Owned business.

Research has shown that employers with a diverse workforce enjoy a competitive advantage due to an increase in creativity, productivity and an enhanced brand reputation.

Many global brands are therefore looking to engage with a more diverse supplier base.

At People First, not only are we a certified women-owned organisation, but 80% of our employees are female and 73% of our employees are non-white.

Help us to help you to embrace diversity!

A young green plant sprout with several leaves is growing from a tree stump. The background is a soft, out-of-focus green, suggesting a forest or garden setting. The text is overlaid on the right side of the image.

As we move into 2022 we hope that, like us, you are optimistic about the future and are well equipped to deal with whatever challenges may come. Rest assured, we will be on hand to support you, provide you with the latest data and, of course, with the best candidates in the market to help your business develop. Happy New Year. Happy New Growth.
